

HERE'S HOW IT WORKS

An hour and a half prior to serving time, a Seaside trained service crew will arrive & set up at requested location. They will then prep & prepare ordered entrees & service your guest by requested meal time (typically takes an hour and a half to two hours.) Once the service is concluded, we will pack up and leave within 30 minutes.

Seaside's Taco Bar consists of one propane flat top griddles, one six foot prep table and one six foot service table where food warmers will be set up alongside the fresh topping selections and salsas. If necessary, we can supply a pop up cover tent as well.
